When is my Home Warranty Service Agreement active?

Buyer coverage begins at the close of sale and continues for one year from that date, and is renewable annually at our option. Payment is due at close of sale and must be received within ten working days in order for coverage to be in force. Seller coverage is for the listing period and begins immediately upon notification of enrollment continuing up to 180 days, until close of sale, listing is cancelled or listing coverage has reached expiration, whichever occurs first.

How do I request service?

Contact us at 2-10.com/warranty or **800.775.4736**, 24 hours a day, 7 days a week to request service. We will contact an authorized, independent service contractor within 4 hours during normal business hours and within 48 hours on weekends and holidays to assist in evaluating your request. In cases of emergency, we will expedite service and attempt to initiate service within 24 hours. An emergency is generally defined as a service issue resulting in: 1) no electricity, gas, water or toilet facilities to the entire home; 2) a condition that immediately endangers health and safety; 3) a condition that interferes with healthcare support of occupants; and/or 4) a system malfunction that causes ongoing damage to the home. If you should request non-emergency service outside of normal business hours, you will be responsible for additional fees, including overtime. Parts and labor are guaranteed for 60 days on authorized service requests.

2-10 HBW...

the best in the business.

Who pays what?

A service request must be received by us during the Service Agreement period. **2-10 HBW will pay or reimburse you for covered costs that have been authorized. Service performed without prior authorization will not be paid.** You are obligated to pay the service fee or the actual cost to repair and/or replace, whichever is less, for each separate service call. A service call means each visit by an authorized, independent service contractor for a single service (plumbing, electrical, appliances, heating and air conditioning and pools/spas). Multiple visits to remedy the same problem require only one service fee. Your payment must be made prior to service completion. You may not place a new request for service when any previous service fee is outstanding. You will also be responsible for any costs required to complete the repair that are not covered by the Service Agreement. Certain costs, such as permits and haul away of old equipment, may be covered for the buyer if the Supreme Protection option is purchased. Any additional work performed by the independent service contractor, at your request, will be at your sole cost and risk.

more info to know...

- At times, State and Federal agencies will pass laws, or regulations, that change what is required when replacing part, or all, of a system such as heating, air conditioning or electrical. We will cover costs related to the failed item, but not costs related to the additional government requirements, except where noted.
- If we determine that replacement is necessary, it will be equipment of "like-kind". This means we will replace with equal or better efficiency equipment, but not necessarily the same brand or color, except where noted.

ADDITIONAL TERMS OF COVERAGE: To keep the cost of this Home Warranty Service Agreement (Agreement) affordable, we cannot cover everything. Cost limits for coverage are identified in the trade section under the title "DOLLAR LIMITS". Our team is available 24/7 to answer questions and explain terms of coverage at 2-10.com/warranty or 800.775.4736.

TERMS & CONDITIONS

We provide service for covered systems and/or appliances that:

1. are located within the perimeter of the main foundation of the principal residence and the attached garage located at the address shown, except exterior well pump, air conditioner, septic system and pool and/or spa equipment, are covered only if such option is selected;
2. do not operate correctly due to normal wear and tear;
3. are in place and in good and safe working order with no pre-existing defects at the beginning of the service period. (Detectable pre-existing defects or deficiencies are not covered by this Agreement. If on the effective date of this Agreement, the defect or malfunction of the covered system or appliance would not have been detectable by either visual inspection and/or simple mechanical test performed by a qualified service professional, the defect or malfunction will be serviced.);
4. are specified as "included" in the trade section. If a system or item is not specified as "included" then it is not eligible for service; and
5. are located in owned or rented residential property less than 5,000 square feet (for homes between 5,000 to 10,000 square feet an additional fee is required, call for a quote) and not commercial property or residences being used for business purposes (Commercial or business purposes include, without limitation, bed and breakfasts, day care centers, group homes, fraternity/sorority houses, nursing/care homes, hair salons, churches and schools). Systems and appliances located in park model RVs, fifth wheels, motor homes, travel trailers and campers are not eligible for service.

A. PROVIDING SERVICE

1. No claim forms are used, but we must pre-approve service by an authorized, independent service contractor. If an authorized service contractor is not available in your area, we will ask that you call your preferred service contractor and request that they evaluate your problem, but they must call us for authorization prior to performing service. Your service contractor must be licensed and insured.
2. In instances where the cost of completing a full repair or replacement exceeds a stated "dollar limit", we will pay an amount equal to the contract "dollar limit" instead of providing repair or replacement services. Some or all of such a payment may be made to you and/or a service contractor. In all other instances, as described in subsection b, below:
 - a. Instead of performing repair or replacement services, we may pay you cash. The amount of cash we will pay is the lesser of (i) what the ordinary customer would pay after negotiating the best price for such services in your area and without the benefits of this contract, or (ii) the amount we would pay for parts and labor for covered service based upon our contracts with authorized service contractors, this amount is usually less than retail cost or your actual cost. We are not obliged to extend such an offer in any particular instance. Such offers are typically made subject to restrictions.
 - b. We may offer cash payment instead of repairs or replacement (except as provided in (iv) below) when:
 - (i) Following a response to a covered breakdown, the system or appliance would remain non-compliant with laws, regulations or code requirements;
 - (ii) The system or appliance is subject to a manufacturer's recall for a defect unrelated to the covered breakdown; or
 - (iii) A system becomes non-repairable and a replacement system is no longer available; or
 - (iv) A system or appliance does not operate because one or more component parts original to the equipment is not available, then the cash payment will not exceed the reasonable value of a similar part and associated labor.

B. LIMITATIONS OF LIABILITY

1. We solely determine whether covered systems or appliances and their components will be repaired or replaced. Replacement is "like-kind". For appliances and plumbing fixtures, "like-kind" replacement will be with equal or better quality equipment, unless previously noted in the trade section. For heating and air conditioning equipment, "like-kind" means equal energy efficiency rating, such as the SEER rating for air conditioning appliances. Except for 13-SEER coverage and R410A coverage, we are not responsible or liable to upgrade equipment, components or parts due to: (a) the incompatibility of the existing systems and appliances with the replacement system, appliance or component thereof; (b) any type of chemical or material needed to run the replacement systems, appliance or component including, but not limited to, differences in technology, refrigeration requirements or efficiency; or (c) mandates by federal, state or local governments.
2. When replacement systems or appliances of identical dimensions are not readily available, we are responsible for installation of "like-kind" equipment but not for the cost of construction or carpentry needed because of the different dimensions. We are not responsible for upgrades or matching color or brand.
3. We do not correct to bring into compliance, nor pay for corrections of violations of building, fire, zoning code or local ordinances or state and federal laws or regulations unless for specific covered systems and appliances. Corrections to code violations are covered up to \$250 per Service Agreement, when the Supreme Protection option is purchased. We do not perform verification and/or diagnostic testing of ductwork the sealing of ductwork, and associated repair costs.
4. We are not obligated to perform if required permits or approvals cannot be obtained. We are liable for the costs of permits up to \$250 per Service Agreement only if the Supreme Protection option is purchased.
5. We are not liable for incidental, indirect, special, punitive or consequential damages or for bodily/personal injury or property damage.
6. When it is necessary to open walls, floors or ceilings to perform a covered service, we will restore surfaces to a rough finish only.
7. We are not responsible for the repair of any cosmetic defects, smells, noises or for the cost of cleaning any parts or equipment.
8. There is no coverage for any loss or damage that is caused or made worse by any of the following causes (whether acting alone or in sequence or concurrence with any other cause or causes): misuse or abuse, missing parts, structural shifting, structural changes, fire, freezing,

electrical failure, electrical surge, water damage, water failure, lightning, mud, earthquake, soil or foundation movement, storms, accidents, pest damage, pet damage, mold, mildew, rot, fungus, war, terrorism, acts of God, actual, alleged or threatened discharge, seepage, release or escape of any solid, liquid, gaseous, or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste, including but not limited to the leaching of sulfur dioxide from Chinese manufactured drywall.

9. We are not liable for failure to provide timely service due to conditions beyond our control; including but not limited to, delays in obtaining parts, equipment, weather delays or labor difficulties.

10. We do not remove any hazardous materials including asbestos; do not transport or store any hazardous materials; and do not perform any repairs where there is environmental contamination or if such repairs would cause contamination. We do not pay charges or fees to dispose of an appliance, system or component, including, but not limited to: condensing units, evaporator coils, compressors, capacitors, refrigerators, freezers, water heaters and any system/appliance which contains dangerous or hazardous materials. If noted for specific covered systems and appliances, haul away fees are covered if the Supreme Protection option was purchased.

11. We do not perform repairs related to adequacy or capacity, manufacturer's recall, improper design, improper previous repair or problems caused by alterations, modifications or improper installation. We are not responsible for items under the manufacturer's warranty unless the Supreme Protection option is purchased.

12. We do not repair or replace systems or appliances classified as commercial by the manufacturer, or heating and air conditioning systems over five tons.

13. The maximum aggregate liability for all claims is \$25,000.00.

14. We reserve the right to obtain an additional opinion at our expense.

15. You are responsible for additional charges to remove or install non-related equipment in order to make repairs.

16. You are responsible for cleaning and/or maintaining as specified by the equipment manufacturer.

17. Covered systems or appliances no longer identifiable by model and serial number are limited to \$250 per unit.

C. LEASE OPTION HOMES

Service coverage for a home subject to a lease-purchase contract is available for the lessee only.

D. CONDOMINIUMS AND MULTI-FAMILY UNITS

1. If service coverage is for a duplex, triplex or fourplex dwelling unit and every unit is covered, then service will be provided for common systems and appliances. The same options must be purchased for each dwelling unit.
2. If the service request is for a dwelling unit within a building of five or more units, then only systems and appliances specific to the covered unit will be covered. Common grounds and facilities are excluded.

E. RENEWALS AND TRANSFER OF AGREEMENT

1. This Agreement may be renewed at our option and where permitted by state law. In that event, you will be notified of the terms, conditions and rate of the offer.
2. If the covered home is sold during the term of this Agreement, you may transfer coverage to the next homeowner by notifying us at 800.795.9595.

F. CANCELLATION OR TERMINATION

You may cancel this Agreement at any time and is non-cancelable by us, except for:

1. Fraud or material misrepresentation concerning any covered item or any other facts related to this Agreement.
2. Nonpayment of fees.
3. When the service period is during the listing period and close of sale does not occur or upon mutual agreement between you and us.

If this Agreement is canceled a pro rata refund of the purchase price of this Agreement for the unexpired term will be refunded to the party purchasing the Agreement.

MONEY BACK GUARANTEE: If you are not satisfied within the first thirty days of the service period, you may request cancellation in writing, and we will return the full purchase price to the party purchasing the Agreement.

G. DISPUTES

We handle every claim separately. This means we review the unique cause(s) of your claim. We rely on the information you provide to our customer service representative about your system or appliance, and the information provided by the independent service contractor that inspects and repairs equipment failures. In the event you do not agree with our determination, we will engage in a commercially reasonable dispute resolution process of your choice but both you and we agree that your unique situation is not to be resolved in combination with any other homeowner that has a home service warranty.

H. STATE DISCLOSURES

This agreement is administered and obligated by, as well as, backed by full faith and credit of Home Buyers Resale Warranty Corporation ("the provider," "us" or "we".)

I. REAL AND PERSONAL PROPERTY

The price of the real property items and services is valued at 94% of the total contract price and the price of the personal property items and services is valued at 6% of the total contract price.
